Stop! Look! Listen!

Don't throw your money away. Buy at this store
and save. Clothing is cheaper; Shoes are lower; and
Cotton Goods prices have been smashed. Many won-
der how we do it. The reasons are simple. We sell
for cash. We buy direct from the manufacturers in
large quantities. We buy Gingham, Percales, Mad-
ras, Brown and Bleached Domestics in case lots di-
rect from the factory. This is the reason we sell it
as cheap as the other fellow can buy it. Why pay
more, when you can get it cheaper. Why buy from
the long-time merchant, when his long time methods
compels him to charge you more.

If you have cash to spend, spend it with the cash
store, where it will go farthest, where it will buy
more.
